## RD-NY Consulate concludes ferry flights for Dominicans stranded in the US due to Covid-19

- NEW YORK -

The Dominican consulate in this city concluded last Saturday the ferry flights to the DR that it had been carrying out to repatriate hundreds of people from the United States who, while out for a walk, business or transit, were stranded after the closure of the air border as a measure of the Government of President Danilo Medina to combat COVID-19.

In 15 flights, carried out during a period of 3 months, 1,821 nationals from different places were transferred to the country, informed the consul Carlos Castillo, through a press document.

He specified that the first was carried out on April 4 and before boarding the plane, the Creoles were subjected to temperature checks provided by Dr. Juan Tapia, from SOMOS Community Care, in coordination with the Empire City Labs laboratory, so that travelers were exempt of the quarantine requirement in isolation centers, if they presented a COVID-19 PCR 8800 test issued 48 hours prior to arrival in Dominican territory.

Castillo thanked the executives of Delta Airlines and Jet Blue Airlines who worked hand in hand with the consulate to ensure that the flights were always a success, as well as the doctors of SOMOS, in the person of its president, Dr. Ramón Tallaj and the company Copos Blancos and its main executive, Miguel Acosta....[\[Read More\]](#)

## About SOMOS

- SOMOS -

is a nonprofit, physician-led network of more than 2,500 health care providers serving over 700,000 Medicaid beneficiaries in New York City, launched in 2015 as part of New York State's Delivery System Reform Incentive Payment Program (DSRIP). The network includes providers delivering culturally competent care to patients in some of New York City's most vulnerable populations, particularly Latino, Asian, African-American and immigrant communities throughout the Bronx, Brooklyn, Manhattan and Queens.
